Part I – REVENUE
Section A – FROM LOCAL SOURCES

- Lines 1-5.** Independent school districts (those with "5" in the third character of their ID) should report their tax receipts here. Line 1 (property taxes) will be applicable to most independent school districts. Lines 2 through 5 will be applicable to only a relatively small number of districts. Taxes reported here should be those which the district has the power to levy. State taxes and state property tax relief payments should be excluded here and reported instead in section B. Include current and delinquent tax revenues and penalties.
- Line 6.** Dependent school systems (those with "0," "1," "2," or "3" in the third character of their ID) should report their tax receipts and any other amounts appropriated by their parent government on line 6 (Census code T02).
- Line 7.** Report taxes for education levied by separate county and city governments and transferred to the school system. Include debt issued in the name of a local (non- school system) government and transferred to the school system. Regional school systems should report assessments received from cities and towns here. Assessments received from independent school districts should be reported on line 8.
- Line 8.** Report payments received from other school systems, both within and outside the state, for tuition, transportation, and other services (such as purchasing and data processing). Regional school systems should report assessments received from independent school districts here. Assessments received from cities and towns should be reported on line 7.
- Lines 9-14.** Report all student fees on these lines. Gross receipts from sale of school breakfasts, lunches, and milk (from students, teachers, adults, but not from state or federal funds) should be entered in item 12. Gross student activity receipts for those funds under control of the custodian of school funds should be included on line 13. Revenues from other sales and services, including community services activities should be entered on line 14. Report in Part IX the amount of any student fee that cannot be reported because the fee covers more than one of the items on lines 9 through 14, such as lump sum fees for both tuition and transportation.
- Line 15.** Include interest earnings from all funds held by the school system.
- Line 16.** Report receipts from rentals, property sales, private contributions, and refunds from prior year expenditures.

Section B – FROM STATE SOURCES
Include all state payments made directly to the local education agency. Exclude state payments made on behalf of the local education agency and report instead in Part V.

- Line 1.** Include revenue from general non-categorical state assistance programs such as foundation, minimum or basic formula support, principal apportionment, equalization, flat or block grants, and state public school fund distributions. Also include state revenue dedicated from major state taxes, such as income and sales taxes. Revenues from minor state taxes should be included on line 11.
- Line 2.** Report revenues from programs designed to improve the quality and quantity of local education agency staff. Examples include additional teacher units, teacher benefits, retirement and social security paid directly to local education agencies, mentor teachers, teacher induction, staff development contracts and stipends, career ladder contracts, in-service training, health insurance, principal leadership, teacher quality contracts, and salaries for specific types of instructional and support staff (other than for staff directly associated with the programs described on lines 3 through 10).

- Line 3.** Enter revenues for the education of physically and mentally handicapped students.
- Line 4.** Include revenues from state compensatory education for "at risk" or other economically disadvantaged students, including migratory children (unless bilingual – see line 5) and orphans. Also include amounts from state programs directed toward the attainment of basic skills. Include categorical education excellence and quality education programs which provide more than staff enhancements – such as materials, resource centers, and equipment. Programs which focus on staff should be reported on line 2.
- Lines 5-10.** Enter state revenues for the type of program indicated. Include career education programs on line 7; school lunch matching payments on line 8; school construction, building aid, and interest and principal payments on line 9; and bus driver salaries and bus replacements on line 10.
- Line 11.** Report amounts for specific programs not described above on lines 1 through 10 including instructional materials, textbooks, computer equipment, library resources, guidance and psychological services, driver education, energy conservation, enrollment increases and losses, health, alcohol and drug abuse, AIDS, child abuse, summer school, prekindergarten and early childhood, adult education (excluding vocational), desegregation, private schools, safety and law enforcement, and community services.
- Also include on line 11 those items financed by relatively minor state taxes, licenses, fees, and funds such as severance and license taxes, timber and motor vehicle excise taxes, payments in lieu of taxes, refunds, land reimbursement, and forest funds.
- Report in Part IX the amount of any state revenue item that cannot be reported because the item covers more than one of the items on lines 1 through 11, such as "total state revenues" not broken down by program.
